

ARE YOU PLANNING TO TRANSFER COLLEGE CREDIT(S)?

St. Joseph School of Nursing will consider transfer of credit(s) for the following non-nursing courses if:

1. They were taken at an accredited college within the last 5 years
2. You achieved a final grade of “75/C” or better

AND

3. An official college transcript is received

No monetary credit will be given for courses approved after the first day of the academic year. For this reason, the student is responsible for having their official transcript(s) submitted before the start of each academic year.

(Course description may also be required.)
